No: 67

Tumkur District
Deputy Commissioner's Office
Tumkur 26th April 1883.

To,

The Secretary to the Dewan
of Mysore
Revenue Department

Sir,

A question has arisen regarding the construction of the Dewan's order No: 301—8/8 of 17th April 1882.— The Contractor of this District reads the order as leaving it within his option to take or reject the toddy lease of any Inam Village and in that view objects to have any thing to do with the toddy of the Sivangere Village of the Maddagiri Talúk, and argues that the Inamdar may manufacture Jaggery. The Inamdar on the other hand contends that so long as he is disabled by the order of the Government to sell his toddy to any other than the Government Contractor or monopolist he should be allowed the corresponding privilege of compelling

the

the Contractor is take the lease. I under=
-stand that this is the proper meaning
of the order referred to and it is only
when the account is in dispute that the
District officer is authorized to settle
it. In this very case the Dewan, while
Deputy Commissioner of this District, even
permitted a licence to be granted to the
Inamdar in spite of the Government
Contractor to sell his toddy to other than
the Government Contractor, but the latter
having then entered into a Settlement
with the Inamdar and agreed to pay
him Rupees 20 monthly the license
became inoperative and was returned.
The same objection has now been revived
and it is desirable to settle the question
once for all.

2- In the event of the Dewan
deciding the question in the affirmative
I solicit instructions regarding the
mode of levying the money. Should
the

the Contractor persist in his refusal to pay it.

3. Papers as per Tarist are herewith sent.

I have the honour to be
Sir,
Your most obedient Servant
